Dear Mr. Chao:

Each year we ask each student admitted to MIT to share with us the name of a teacher who has been especially influential in his or her development. It is a remarkable achievement and a great honor to change a life, so we congratulate you on being named this year by Jessie Liu.

Most importantly, we thank you for the time, patience, expertise, love, discipline and all the other qualities which have had such an important impact on your students. You do the work from which all of society benefits.

Congratulations again on your excellent work! We at MIT are deeply grateful.

Sincerely,
